Color combination available in stock:

-  Bordeaux (Rope)
-  Pure white RAL 9010 (matte) (Tube Connectors)
-  Bordeaux violet RAL 4004 (matte) (Spreader, Bars, Clamps)

Thanks to the warmth of its wood and its undulating curves, Cloverwood is at once inviting and aesthetically appealing. Both the frame and the flat netting offer playground fans an exciting challenge on which to climb, relax and balance. When seen from above, it takes the form of a four-leafed clover.

Please Note: To make this unit ready for outdoor installation, the customer will need to wait for upgraded steel connectors to be manufactured.
